REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The students, staff and school community of Boiling Springs Elementary experienced a successful school year. Our school motto, "Building Student Excellence and Success" focused on student achievement for our kindergarten through third grade students. Increases in Measures of Academic Progress (MAP) scores indicate success on our state test, Palmetto Assessment of State Standards (PASS). Boiling Springs Elementary is a recipient of the 2012-2013 Palmetto Gold Award for absolute performance and 2012-2013 Palmetto Silver Award for closing the achievement gap as reflected on PASS.

Continued emphasis on research and best practices served as a foundation for staff development. Teachers and staff routinely participated in school, district, and state level staff development opportunities which focused on the Common Core State Standards. Acquisition of current technology was introduced in the form of iPads in classrooms. Students and teachers embraced this advancement in technology as a means to support our 21st century learners.

Fine Arts play an important role in our school. Student artwork was displayed in our school and community throughout the school year. The McDonald's McCreative Arts Grant awarded to our fine arts department allowed for a yearlong emphasis on artist Leonardo Da Vinci. Recognition of students and staff for accomplishments and a commitment to excellence was accomplished in various ways. Quarterly awards programs, Terrific Kid and year end awards programs highlighted academic achievement, character traits, and effort. Leading the path of excellence, teachers were recognized for their accomplishments. Two teachers were named Horace Mann Crystal Apple Award recipients. Teacher grants providing additional resources for classrooms were funded in excess of \$14,000. School events including Parent University, Doughnuts for Dads, Muffins for Moms, and Goodies for Grandparents, provided opportunities for families to visit our school. An awareness of health and fitness was strengthened through a Family Health and Fitness Night. Additionally, Boiling Springs Elementary was invited to join The First Tee of Spartanburg in providing a program focusing on character education through golf.

Parents and our school community are vital to our continued success. Dedicated volunteers provide support in many ways including resources and volunteer hours. The students, staff, parents, and community of Boiling Springs Elementary fulfill our motto of Building Student Excellence and Success.
